Welcome to the European Historic Thermal Towns Association

Dear Ms. Werner-Rossinot,

I am honoured to inform you that the Executive Council approved your application for Membership of the European Historic Thermal Towns Association, certified as Cultural Route of the Council of Europe since 2010.

With the decision taken last week, 21st January 2023, Grand Nancy is now considered an Associate Member of the European Historic Thermal Towns Association.

At the next **General Assembly in Baden bei Wien from 9th – 11th May 2023** you will then be officially welcomed by all the members, receiving your membership plaque. You are invited to make a short presentation about Grand Nancy, introducing yourself to the other mayors and the entire EHTTA membership.

The EHTTA membership brings certain responsibilities and opportunities, which we will communicate with you and your technical representatives in the next few weeks.

Please find attached a copy of the EHTTA Statutes and the certificate of our Cultural Route diploma. You will also receive the **invoice of the 2023 membership fee (3.500 € annual fee), which we kindly ask you to settle by 30th June 2023** to finalize the application process.

Our Executive Director, Mrs. Simone Zagrodnik, will contact you for the next administrative and organisational steps.

Together with the Vice Presidents I look forward to working with you and it is especially exciting as we are organising the Thermal Congress 2023 with you. I hope to meet you in person in Baden bei Wien in May!

With kindest regards and Thermal Greetings,

José Manuel Baltar Blanco
EHTTA President
